GRCC Veteran Success Center Outcomes

### Outcome 1: Veteran Student Enrollment

366 (2021-2022)

Enrollment includes unduplicated fall-winter-summer enrollment of veteran students in *credit and non-credit* courses/programs. Projections include 5% increase after year 1, 8% after year 2, and 10% after year 3.

Next update: Summer 2023 for 2022-2023 enrollment

Grand Rapids Community College Veteran Success Center Report, June 2022

Outcome 3: % Graduate or Transfer within Three Years

Baseline: **43%**

Percentage of veteran students (part- and full-time) enrolled for the first time in *credit and non-credit* courses/programs at GRCC in fall, who **graduated from GRCC and/or transferred out** within 150% of expected time. This measure does not include students still enrolled. This measure will be updated at the end of each major academic term.
