1. When Fees may be Charged: The FOIA permits GRCC to charge a fee for the search, retrieval, examination, review, and separation and deletion of exempt from nonexempt material, but only if the failure to charge a fee would result in unreasonably high costs to GRCC because of the nature of the request in the particular instance, and GRCC specifically identifies the nature of these unreasonably high costs. MCL 15.234(1) and (3)

2. Calculation of Fees: The following fee guidelines for calculating labor and material costs incurred in processing FOIA requests are established pursuant to MCL 15.234(3):

Any written notice containing a notice of a deposit shall also contain a best effort estimate by GRCC regarding the time frame after a deposit is received that it will take GRCC to provide the public records to the requester. The time frame estimate is not binding upon GRCC, but GRCC shall provide the estimate in good faith and strive to be reasonably accurate. GRCC shall provide the public records in a manner based on this State's public policy under section 1 of the FOIA, MCL 15.231, and the nature of the request in the particular instance.
