Internet Explorer 8 Print Instructions

Right click on the page, and then left click on ‘Select All’

Then, left click on the drop-down arrow of the ‘Print’ icon in the IE8 Tool Bar and left click on ‘Print Preview’.
Now left click on the drop-down arrow of the ‘Select Content’ box, and left click on “As selected on screen”

Now left click on the ‘Print’ icon in the extreme upper left corner of the page.

Left click on the ‘Print’ button on the print pop-up window. That does it.
