### III. Policy Statement

A. Classroom Policy: GRCC prohibits bringing children to class and/or leaving them unattended on campus such as halls, the library, the student center, computer labs, etc.

B. Campus Policy: Children accompanying visitors, employees, or students of Grand Rapids Community College must be under the direct and constant supervision of a responsible adult while on GRCC campus.

C. Minors enrolled in GRCC classes are not considered children under this policy.

### IV. Reason for Policy

Members of the College community, such as, administrators, faculty, staff, or students are not authorized to assume responsibility for the caring of children, unless the person is leaving the child in a College program sanctioned for children. Leaving the children unsupervised may also create a safety hazard for the children themselves or for others at the College.
