### IV. Reason for Policy

The GRCC Foundation must ensure, at all times, that its policies and procedures are in compliance with local, state, and federal regulations in regard to the solicitation and acceptance of gifts. Any deviation from the Internal Revenue Code could result in fines and/or loss of the Foundation's tax-exempt status.

To preserve integrity in fundraising, and to promote sensitivity to GRCC's constituencies. These procedures are intended to provide a controlled approach in soliciting funds or other gifts from the internal and external community.
