RE: Introduction of Bid4Michigan - www.Bid4Michigan.com

Dear GRCC Supplier,

Effective Tuesday, August 1, 2017; Grand Rapids Community College will be transitioning eProcurement Bidding Systems for the solicitation of bids. Our current solicitation system Buy4Michigan will be replaced by [Bid4Michigan](http://www.Bid4Michigan.com).

This bid notification system allows your company access anytime GRCC has a bid opportunity that matches your company's line of business. By creating a **free account**, your company will have instant access to bid opportunities from GRCC as well as instant access to all other opportunities posted by participating agencies!

Similar to Buy4Michigan, as an option, this system offers an e-mail notification service, which automatically sends you a message anytime GRCC or any other participating agencies issue bids, addendums, or awards that match your selected product and service codes. The annual fee for this notification service is \$90.00 per year.

If you would like access to future bid opportunities from GRCC and the other agencies listed, we recommend that you register your company online. To register, visit Bid4Michigan, click on "Register Today", and follow the instructions to complete the registration form.

A list of frequently asked questions can be accessed at www.bid4michigan.com/FAQ.asp. Otherwise if additional assistance is required, please call Vendor Support at (800) 835-4603, Monday through Friday, 8:00 A.M. - 8:00 P.M. Eastern Time. Or contact us by e-mail at e-procurement-support@bidnet.com.

We look forward to providing you with Bid4Michigan enhancements and efficiencies. We thank you for your cooperation and welcome your participation.

Best Regards,

Mansfield W. Matthewson
