Clicker Standardization Committee
Second Report to AGC

March 2012
Reminder: Our Task

- An issue paper was approved in Fall 2011. We were asked to recommend a Classroom Response System (CRS), or “clicker” standard for GRCC.
- We reported to AGC in January on our process.
- We solicited feedback from the campus community throughout February.
- We considered that feedback, voted, and are here to make our recommendation.
Committee Membership

Rebecca Allington  (DSS rep)  
Gary Ebels  (Faculty)  
Lauren Elliott  (Adjunct Faculty)  
Bill Faber  (Admin)  
Lisa Gloege  (Faculty co-chair)  
Stewart Krulikoski  (Bookstore rep)  
Jeff Neumann  (Faculty)  
Deb Nordman  (Faculty)  
Sophie Rubin  (Faculty)  
Jim Schafer  (Media Technologies-IT rep)  
Meegan Willi  (Admin co-chair, DLIT rep)
Our Recommendation

The committee recommends the i>clicker 2 as our campus classroom response system.

Faculty feedback was heavily weighted toward i>clicker. The committee vote was unanimous.
Benefits of i>clicker 2

• Ease of use: simplicity and reliability
• Low cost to student (no cost to institution.)
• Blackboard integration
• Accessibility
• Full Numeric and Alphanumeric functions
• Web-clicker option
• LCD display
• Self-paced testing
• Adopted by many other colleges in Michigan
• Support/training
How this would work...

• I>clicker will assist us in training faculty.

• I>clicker will provide receivers and instructor remotes to any faculty member that adopts clickers. Media technologies has agreed to help facilitate this.

• Faculty will list the i>clicker 2 ISBN as a required material for their class. An example of syllabus language:

  We will be using the i>clicker 2 in class on a regular basis. You will need to purchase a "clicker" from either the bookstore, an online retailer, or another student and bring it with you to every class session. Note: Students should purchase only one “clicker.” The same device can be used in every class at GRCC that requires one.
Tasks for AGC Members

• Communicate to your department that we have made a recommendation.

• Let us know if you have questions before the April vote!
