III. Action Items

- A. 2026-2027 Millage Levy Resolution – John Globoker, Vice President of Finance and Administration, presented the 2026-2027 Millage Levy Resolution. Due to the mandatory headlee rollback our millage rate requires an adjustment from our current levy rate of 1.6793 down to 1.6603. This rollback is required for the next fiscal year as the Headlee Amendment reduces millage rates when property value growth exceeds inflation. The recommendation is that the board approve the resolution which authorizes the filing of the L-4029 form for the 46 taxing units in the Kent ISD.

Chairperson Lopez opened up the public hearing portion for the 2026-27 millage levy and asked if there were any comments from the floor. There were no comments and the public hearing was closed.

Trustee Siegel moved to accept the millage levy resolution as presented. Seconded by Trustee Williams. Motion carried 6-0.

- B. Proposed budget for 2026-27 - John Globoker, presented on the 2026-2027 proposed budget with the recommendation that the board approve the budget as it was presented at the May 2026 session. Trustee Williams moved to approve the 2026-2027 as presented. Trustee Siegel seconded. Motion carried 6-0.
