

## Job Placement Rates

Source: Alumni Survey / Institutional Research and Planning)

**Job placement rates: 94% of 2018-19 career-related (occupational) graduates reported being employed on the Alumni Survey (January 2019)**

### Types of jobs obtained by graduates:

- Registered Nurse (RN)
- Licensed Practical Nurse (LPN)
- Dental Hygienist
- Dental Assistant
- Radiologic Technologist
- Occupational Therapy Assistant
- Police Officer
- Corrections Officer
- Industrial Maintenance
- Manufacturing Technician
- Plastics/Polymer Technician
- Childcare Worker
- Welder
- Computer Programmer
- Computer Support Specialist
- Network Administration
- Web Developer
- Chef/Head Cook
- Craft Brewing, Packing, & Serving Operator
- Automotive Mechanic
- HVAC/Refrigeration Technician
- Business Administration
- Bookkeeper and Accountant

How job placement rates are calculated: Select graduates of career-related (occupational) degrees and certificates who answered the employment status question on the Alumni Survey

Number of graduates who reported being employed / (Total number of graduates responding to employment status question – Number of graduates who reported they were not employed but they were not looking for employment) = Job Placement Rate
