

Aflac Group Critical Illness

INSURANCE – PLAN INCLUDES BENEFITS
FOR CANCER

We help take care of your
expenses while you take
care of yourself.

Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

What you need, when you need it.

Group critical illness insurance pays cash benefits that you can use any way you see fit.

INITIAL DIAGNOSIS

We will pay a lump sum benefit upon initial diagnosis of a covered critical illness when such diagnosis is caused by or solely attributed to an underlying disease. Cancer diagnoses are subject to the cancer diagnosis limitation. Benefits will be based on the face amount in effect on the critical illness date of diagnosis.

ADDITIONAL DIAGNOSIS

We will pay benefits for each different critical illness after the first when the two dates of diagnoses are separated by at least 6 consecutive months. Cancer diagnoses are subject to the cancer diagnosis limitation.

REOCCURRENCE

We will pay benefits for the same critical illness after the first when the two dates of diagnoses are separated by at least 6 consecutive months. Cancer diagnoses are subject to the cancer diagnosis limitation.

CHILD COVERAGE AT NO ADDITIONAL COST

Each dependent child is covered at 50 percent of the primary insured's benefit amount at no additional charge. Children-only coverage is not available.

SKIN CANCER BENEFIT

We will pay \$250 for the diagnosis of skin cancer. We will pay this benefit once per calendar year.

WAIVER OF PREMIUM

If you become totally disabled due to a covered critical illness prior to age 65, after 90 continuous days of total disability, we will waive premiums for you and any of your covered dependents. As long as you remain totally disabled, premiums will be waived up to 24 months, subject to the terms of the plan.

SUCCESSOR INSURED BENEFIT

If spouse coverage is in force at the time of the primary insured's death, the surviving spouse may elect to continue coverage. Coverage would continue at the existing spouse face amount and would also include any dependent child coverage in force at the time.
