

## Strategic Leadership Team Yearly Evaluation

March 2014

The purpose of the Strategic Leadership Team (SLT) is to provide a forum that will enable a wide variety of college constituency groups the opportunity to provide input into the present and future direction of the College. This team will guide the development and on-going implementation of our strategic plan, review benchmarking data, study budget realities and offer recommendations to the President.

### I. Overall, SLT accomplished its purpose this year (circle):
