 - What do our employers need from GRCC?
 - Dr. Fiona Hert/Julie Parks
 - Business Outlook for West Michigan, Dec 2012
- Internal Assessment:
 - What do our colleagues say we should do next?
- TOP TEN List – Key Priorities to be addressed in the Next Strategic Plan
- CAP Updates

Updates

- Facilities– Vicki Janowiak
- BOT Monitoring Report – Dr. John Cowles

Strategic Planning – Big Picture

- Oct/Nov - Identify **Key Strategic Issues** to be addressed in the New Strategic Plan based on analysis of environmental scanning reports
- Jan - Determine appropriate **strategies** to use to address key issues
- Feb - Propose **College Action Projects** for each strategy
- March - “Vet” each proposed College Action Project including outcome and process indicators (Vet = thoroughly examine and evaluate)
- April - DRAFT Strategic Plan recommended to President Ender

What is a Strategic Issue?

The College determines its strategic issues based on (and consistent with) its vision and mission, within the framework of environmental scanning data and other analyses. Strategic issues are the fundamental issues the college has to address to achieve its mission and move towards its desired future.

Mix-Max Session

- ❑ Each table has a Table Leader and Note-taker pre-identified
- ❑ Discuss the Hert/Parks presentation and the Business Outlook for West Michigan article at your table
- ❑ Complete the Strategic Issue worksheets at your table

BREAK

Please sit in your Sub-Team groups when you return from break.

Within your Ends Subteam

- ❑ Subteam leader to facilitate discussion and assign a note-taker
- ❑ Give time for each SLT member to share their data collected from their assignment: ***“What do you believe are the most important issues GRCC must address in the next strategic plan?”***
- ❑ Complete the Strategic Issue worksheets at your table

Prepare a TOP TEN List

- Based on all the data reviewed, what are the top 7-10 Strategic Issues which must be addressed in the next Strategic Plan?
- ***Complete worksheet!***

CAP Project Updates

See you next
YEAR!
