

Written Arrangements Disclosures for the Dental Assisting Program at GRCC

The Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), requires colleges participating in federal student aid programs to make certain disclosures. In compliance with these federal laws, Grand Rapids Community College is providing information for specific programs offered at GRCC, which incur additional costs of attendance due to a portion of the program being completed at an off-campus location. The Dental Assisting off-site instruction accounts for approximately 30% of the program and includes 300 externship hours in dental offices and clinics around West Michigan. The off-site locations are located within a 75 mile radius of the GRCC main Grand Rapids campus. Students are responsible for transportation to the off site locations and any other costs associated with attending the off-campus location. Costs range from \$1.00 to \$80.00 per trip and may include mileage, parking, and other costs related to the off-site placement (e.g., uniform).

The following list includes possible sites where a student could be assigned to complete their off-campus requirements for the program. The following information is accurate as of July 2021 for the 2021-2022 academic year, but off-campus sites can vary throughout the year due to site availability and other factors.

Name of the Institution/Entity	Address
Anderson Family and Cosmetic Dentistry	453 136th Ave, Holland, MI 49424
Armbrecht & Wierenga Orthodontics	3131 44th St. SW Grandville, MI 49418
