

Pony Express Instructions

This is a TEAM EVENT. In the express round, the team will be given six problems to work on. They may use any strategy that they wish. They can work on each problem together as a team or split the work between them. Only one final solution sheet will be turned in and only the answers will be graded.

1. Teams may split up the work in any fashion you choose. However, only the answer sheet provided will be graded. Record all answers on the answer sheet before time is up.
2. Make sure all answers are in simplified form.
3. Give exact answers where possible.
4. Include all units of measurement if appropriate.
5. Teams will be given a 5 minute warning and have a total of 20 minutes for this event.
