II. Policy Subsection

7.11 Acceptance of C- Grades

III. Policy Statement

GRCC will continue its practice of accepting grades of C- from transfer institutions. When prerequisites are determined for progression within a degree, a grade of C- or higher must be earned. Only those departments that offer subject specific pre-requisites, as noted in the current catalog, may continue to use a grade of C or some other earned grade/score to determine progression in a degree program or discipline. These departments will continue to accept C- grades from transfer institutions.

IV. Reason for the Policy

GRCC needs to have a reasonable and equitable policy regarding grades accepted from transfer institutions as well as for prerequisite grade attainment.
