b. All potential contributions will be evaluated by staff of any assumable costs associated with the contribution. Any costs related to a gift shall be reported to the Budget Control Officer responsible for the department receiving the contribution. The funding source for the associated costs should be identified so verification of budget can be done prior to acceptance of the gift. If the cost of accepting the gift exceeds $10,000, Board of Trustee approval shall be required prior to acceptance. The Budget Control Officer shall inform the Director of Purchasing of this gift so that GRCC purchasing practices can be followed.

c. All donors wishing to designate a gift to a specific department or division shall be informed by the department administrator and/or divisional chairperson that their contribution shall be made to the GRCC Foundation. An official letter of acknowledgment will be sent on behalf of the President of the Foundation and College.

d. The donor will determine the value of the contribution/gift if the gift is not in the form of cash or check.

e. The GRCC Foundation will pass cash donations to the appropriate GRCC department or division as directed by the donor. If no specific designation is made by the donor (for financial gifts), the donation will be designated to the unrestricted/undesignated fund.
