I. Policy Section

8.0 Students

II. Policy Subsection

8.30 Student Code of Conduct

III. Policy Statement

Grand Rapids Community College (GRCC) students are responsible for adhering to the Student Code of Conduct (Code), as well as GRCC policies and applicable laws and regulations.

In addition to setting forth conduct and behavioral standards for all students, the Code also provides processes for reporting and investigating alleged violations for all members of the campus community. Alleged Code violations should be reported in accordance with the procedures identified in the Student Code of Conduct that accompanies this policy.

IV. Reason for the Policy

The mission of Grand Rapids Community College is to provide the community with learning opportunities that enable people to achieve their goals. In order to achieve its mission, the College must foster a secure learning environment by protecting people, property and processes. The Student Code of Conduct sets forth expectations for individuals who choose to become part of the College community.
