The Heritage is a culinary “laboratory” operated by Grand Rapids Community College’s Secchia Institute for Culinary Education. The restaurant is staffed by students in the Culinary Arts and Culinary Management programs under the supervision of professional chefs.

During the luncheon hours, freshman students will prepare meals of international cuisine with modern and classical touches. You’ll experience a distinctly American style of table service.

In the evening, The Heritage features a relaxed atmosphere with more continental cuisine, with our sophomore students preparing some of your meal right before your eyes. The table service is a mixture of American and French styles. Adjacent to The Heritage – the Fountain Street Brewery serves 12 student-brewed beers. It was the first federal- and state-licensed brew pub in the country that is owned and operated on a college or university campus!

Our student-run café, Foodology, is an energetic eatery, located on the second level of the Wisner-Bottrall Applied Technology Center. Select from a wide variety of delicious made-to-order, grab-and-go, baked goods and coffees handcrafted by the GRCC Culinary students.

The Secchia Institute for Culinary Education restaurants and kitchens are our classrooms, and we take pride in them. We prepare our meals daily with the finest seasonally available ingredients, fresh produce and dairy products, quality poultry and fish, home-styled baked breads, and taste-tempting desserts. We serve our meals with equal pride.

Thank you for your patronage! Your support is invaluable to us; we appreciate and need you as our programs continue to grow. As always, please know that your encouragement and suggestions are most welcome.
