#### Important Messages

All financial aid awards will remain as Estimated until your eligibility is verified and funds are officially disbursed to your account. Financial Aid is **not real-time**, it takes 24-48 hours to update financial aid after changes.

Amount Due balance must be paid based on the [Due Date](#) schedule.

If you decide not to attend GRCC this semester, **you must officially drop your classes** before they start through the Online Center to avoid being charged for them.

**Refund Policy:** Check the refund/adjustment calendar for the refund percentage through your Online Center. Click the [calendar icon](#) next to the class you are dropping.

If you have successfully signed up for the FACTS Payment Plan your classes will be held. If you drop a class, add a class, or your financial aid is disbursed, you must complete the FACTS Change of Status Form and return it to the Cashier's Office so that an adjustment or termination can be made to your payment plan. The FACTS Change of Status Form can be accessed on the [FACTS Payment Plan](#) page, under the FACTS Payment Plan Downloads section.

Please check your schedule carefully. Be aware that some classes are held in locations **off campus** and pay attention to the start and end dates for your classes.

If you feel your residency status is incorrect, please review the [Residency Information](#) and submit the Residency Review Form by the first day of classes.
