

Need to get started with your career plans?

Begin with FOCUS 2!

FOCUS 2 is a self-guided career, major and education planning system designed to guide you through the steps of the career planning process. You can use FOCUS 2 at any stage of your education and career planning according to your personal needs. Start with any feature, repeat a feature if desired and use the system as an ongoing resource. All your results are saved and accessible in your FOCUS 2 Portfolio.

Suggestions for First Time Users

- Begin by completing **My Career Planning Readiness** to better understand the career planning process
- Learn about yourself using the **Self-Assessments**. Discover majors and occupations that match your personal attributes
- Explore **Major Areas of Study** that match your interests and support your career goals

You can return to your FOCUS 2 results anytime!

- Use for ongoing career exploration
- Begin to solidify your career plans
- If applicable, begin thinking about advanced education and training
- Explore future options for transitioning into specialized occupations

Getting the most out of FOCUS 2

- Use FOCUS 2 on any device; Computers, phones, tablets
- Be sure to save occupations and major areas of study that appeal to you as you are working through the different sections
- A good strategy after using FOCUS 2 is to think about your results and discuss your ideas with your Academic Advisor. Be sure to continue to use FOCUS 2 as an ongoing resource!
