

Job Fairs at Michigan Works

The America's Promise Grant helps job seekers acquire the credentials and skills they need to advance into skilled health care jobs. As the next step for APG participants, West Michigan Works! holds health care job fairs and employer-specific hiring events in their service centers and in the community. This is a great opportunity for them - and the public - to meet face to face with employers and highlight their skills and passion for the industry. The next employer of the day event is for Mercy Health on Tuesday, March 12th from 1-4PM at the West Michigan Works office located at 121 Franklin St. SE. If you are an employer who would like to be involved in future recruitment activities like this one, please contact Tory Bol at tbol@westmiworks.org.
