

APG Staff Profile

This quarter's staff spotlight is Marvin Martin, Business Solutions Specialist at the Urban League of West Michigan. Marvin started at the Urban League 12 years ago. He has been an essential piece of the Urban League's success on America's Promise; already serving 100 individuals. He has also helped many participants enroll in trainings and/or find and secure employment in healthcare.

His personality and the care he has for the individuals he serves is truly motivating. Known well throughout the community as someone who is dedicated to helping others, it's hard not to smile when you see him. He wants to see all the clients succeed, and helps them along their life journey. "You always know when Marvin is not in the office because when Marvin is here you always see him moving and meeting with client guests," said the Urban League's Lisa Derr, "Not a day goes by when someone doesn't come in and say '*Can I see Marvin? I just want to thank him for getting me a job!*'".
