

## Computer Competency Badges – Instructions

You will be using an online assessment package to complete your Computer Competency Requirement. You will complete four modules and send the results as a Badge to your email, which can be turned into a collection. Please follow the steps below and submit your results to [workforcetraining@grcc.edu](mailto:workforcetraining@grcc.edu)

1. Create a badgr account
  - a. [www.badgr.com](http://www.badgr.com)
  - b. Click on Create Account in the upper right corner
  - c. Once created, leave this account open as you begin to take the assessments

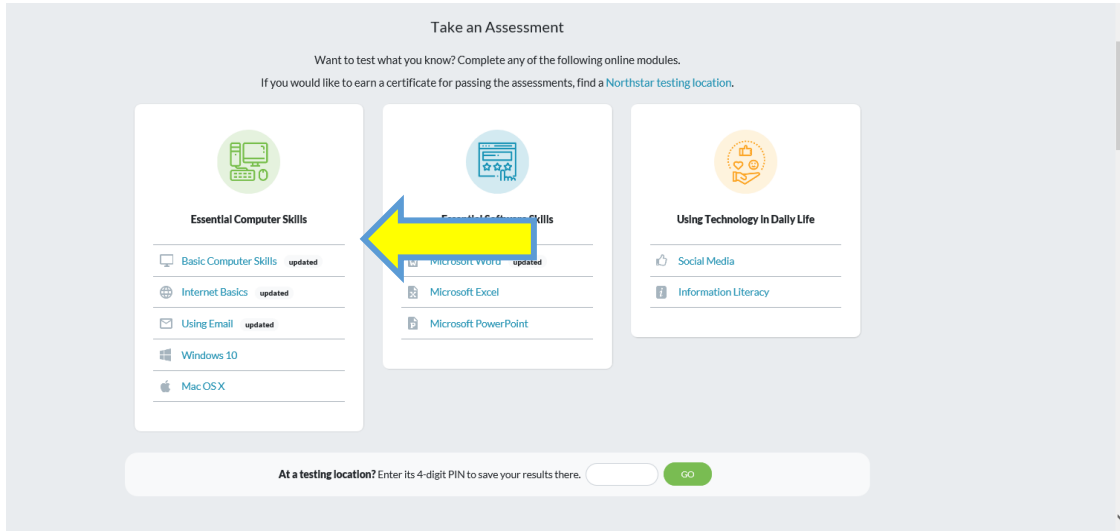

Now you are ready to begin the assessments

2. Go to [www.digitalliteracyassessment.org](http://www.digitalliteracyassessment.org)  
Click on Take an Assessment, (Green Button)

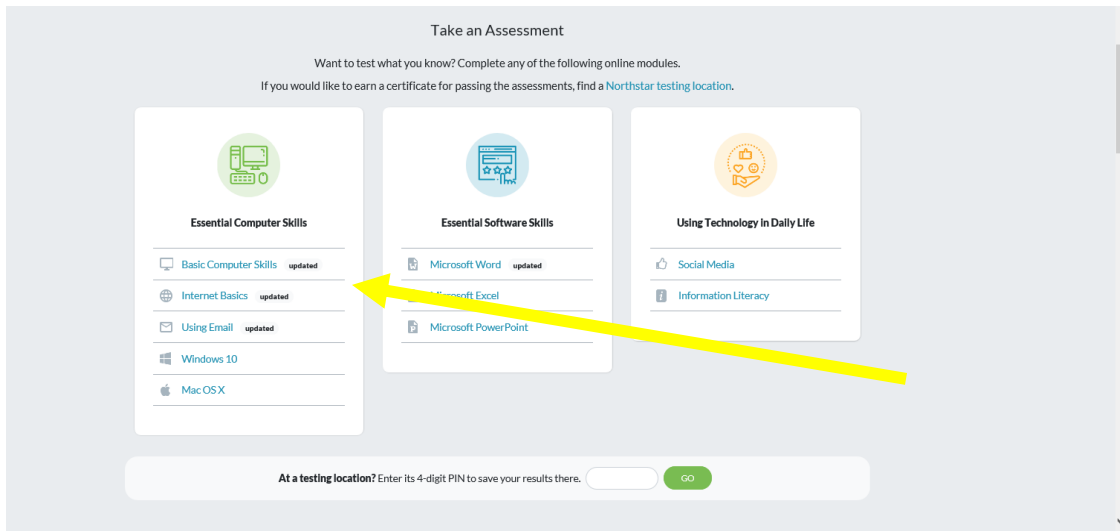

Complete the following four modules under Essential Computer Skills. Use the next steps 1 – 6 to guide you through finalizing the results.

- Basic Computer Skills
- Internet Basics
- Using Email
- Windows 10

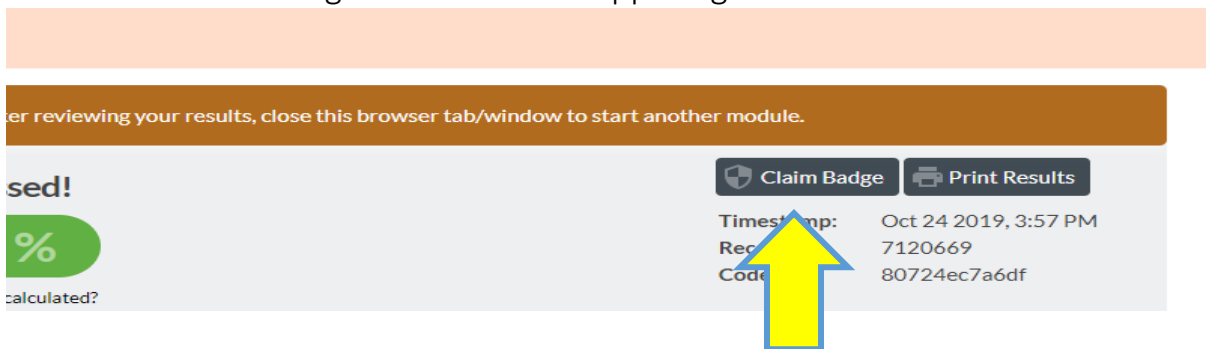

**Step 1:** Select desired module, and click on it.

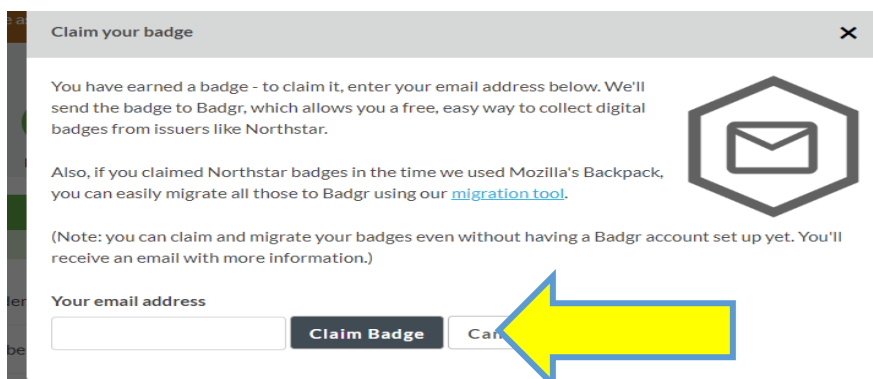

**Step 2:** When the assessment launches, it will open in a new window. Assessments begin with an orientation to the module. Be sure the sound is on.

**Step 3:** When the assessment is complete, and you have received a passing score, select the “Claim Badge” icon near the upper right corner.

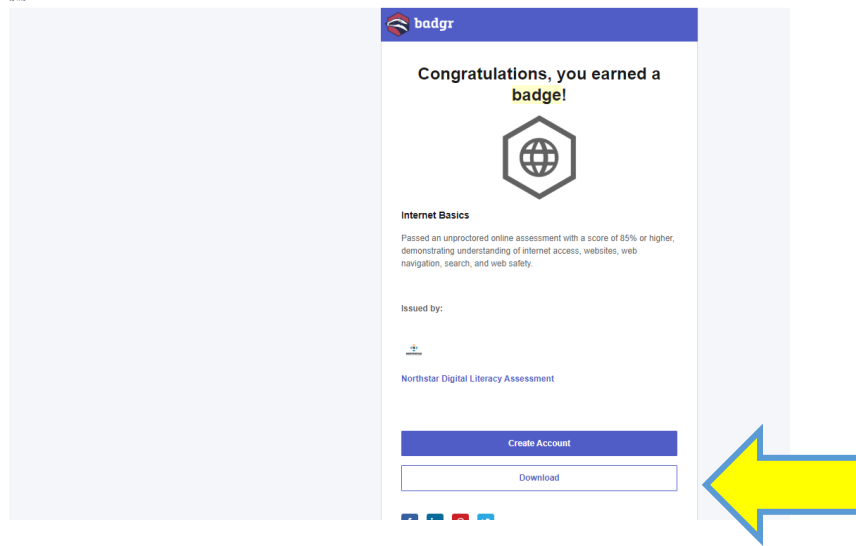

**Step 4:** The following box will appear. Enter your email address and click Claim Badge.

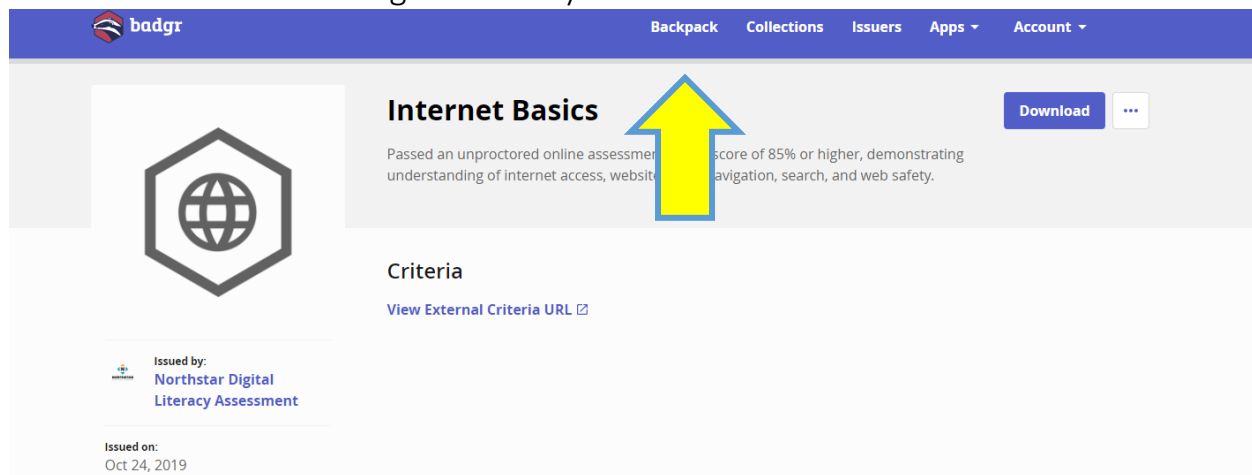

**Step 5:** You will receive the following email. Click on Download

Congratulations, you earned a badge!
