*** Students are encouraged to complete all non-OT classes before Fieldwork 2, OT 230/235. OT 230 requires 16 weeks of full-time (40 hours/week) fieldwork. Level 2 Fieldwork must be completed within 20 months of the didactic course work for an OTA program.

Note: Students must register by August 1 for OT 220 and by December 1 for OT 230 to be placed in fieldwork assignments. If not registered by these dates, students will not be assigned the fieldwork placements necessary to complete their program. They will have to wait until the next course availability.
