

GRCC FAFSA Instructions 2019–20

for Fall 2019, Winter 2020, and Summer 2020

There are now two options to complete your FAFSA!

You can still do it on www.fafsa.gov or now you can also go to [myStudentAid](#) application from ISO and Android phones.

What You Need to Complete

1. Do you have a Federal Student Aid (FSA) ID?

- If yes, log in to www.fafsa.gov or [myStudentAid](#) app and complete the FAFSA application for 2019–20.
- If NO, log in to fsaid.ed.gov:
 - Click on the link to create a FSA ID.
 - If you are a dependent student, both you and your parent will need a FSA ID.

2. What Information do you need to complete the FAFSA?

Independent Students*

- 2017 Federal tax information
- 2017 W–2 forms
- Amounts of any untaxed monies received in 2017

Dependent Students*

- 2017 Federal tax information for student and parent(s)
- Social security number and date of birth for parent(s)
- 2017 W–2 forms for student and parent(s)
- Untaxed monies received in 2017 by student and/or parent(s)

***Note:** You are considered an Independent Student if:

- You were born before January 1, 1996.
- You are married.
- You are a veteran of active duty military service.
- You have children **who live with you** and for whom you provide more than 50 percent of their support.
- You were determined by a court of law as under legal guardianship by someone other than your parents at the time you reached 18 years old.
- At any time since you turned age 13, your parents were deceased, or you were in foster care, or you were a ward of the court (we may ask you to document any of these circumstances).
- If none of these circumstances apply to you, for purposes of Federal Student Aid, you will be considered a **Dependent Student** and will be asked to provide parent information in your FAFSA. Note that not living with your parents does not make you an independent student for purposes of Federal Student Aid.
